

Notice of Public Meeting

Applications have been received by the Town of Grimsby for a Zoning By-law Amendment for the lands known as **152 Main Street West**. The public meeting has been rescheduled for **December 4th, 2024**.

The proposed development consists of expanding a preschool to utilize the single detached dwelling on the subject lands with the permission of the St. Andrew's Anglican Church. The proposal consists of a change of use on the subject lands and does not include any alterations to the existing built form. Only interior renovations will be required to facilitate the expansion of the preschool. Parking to be provided on the existing neighboring lot.

The concept plan included within this notice shows the affected lands.
