## Outdoor Dining Patio/Retail Sales Area Encroachment Program

Dine@Grimsby aims to provide more outdoor dining patio and retail sales areas to help some restaurants and retailers create a dynamic outdoor experience for patrons and still adhere to provincial guidelines during the summer/fall months.

### **Fees waived for 2022 Outdoor Dining Patio/Retail Sales Area Encroachment Permits**

As part of the Town's ongoing commitment to support economic recovery due to the impacts of the COVID-19 pandemic, the Town of Grimsby Council has given the ability for Town staff to assess and issue an Outdoor Dining Patio Area Encroachment Permit to ease the process required to temporarily expand patios on some public and private properties.
